

REFERRAL ADVICE

You have been referred for a specialist opinion of your condition. North Lincolnshire CCG have made us aware of significant delays in referral times in local hospitals. Your GP and South Axholme Practice do not have any control over these delays and cannot tell you how long the delay is for each speciality.

Should you wish to check the status of your referral please call the hospital – list below.

Please only contact the surgery if your symptoms change or your condition deteriorates.
